

I REVIEWED 47 SERVICE WEBSITES.

The same problem kept
appearing.

SWIPE →

Traffic was fine.

Enquiries weren't.

**Every site had the
same flaw.**

**Visitors couldn't understand
the offer.**

Confused visitors don't enquire.

They just leave quietly.

One fix changed everything.

A clearer homepage message.

Read your homepage headline.

Would a stranger understand it in 5
seconds?

Rate your homepage clarity.

1 being unclear. 10
being crystal clear.
